20 December 2019

Dear Jonathan,

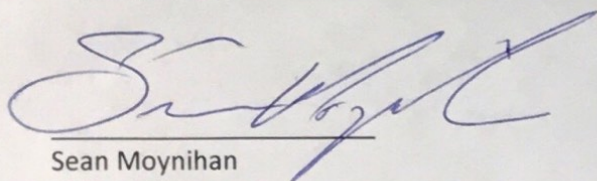

I would like to thank everyone at the CBA for inviting me to all of you, your kind words which are always welcome and most importantly, the very generous donation of €905.26 from the CBA members.

Every donation you make is greatly appreciated and it helps many older people who are in need of support, a home or simply someone to talk to. Sadly, ALONE is needed even more so at this time of year when the weather is colder, Christmas quickly approaches and too many older people feel lonely and isolated more than they normally would.

At ALONE we have been working with older people to help them solve issues around loneliness, health, housing and finance for 42 years. ALONE have over 2,000 volunteers that are trained and supported by professionals, and our services are quality approved, ensuring we are high value and low cost. However, our work would be impossible without the support of people like you, so thank you again for making such a wonderful difference.

Lastly, your help in raising awareness of ALONE and issues affecting older people through your own website is greatly appreciated. Wishing all of you a very happy Christmas.

Yours sincerely,

Sean Moynihan
CEO, ALONE

*I thank you so much
for the gift & for
the chance to discuss
the housing issues with
you
Best Wishes
Sean*
